Among the many remedies offered to the public under the name of Patent Medicines, it is a relief to know that some of them are valuable preparations—will do what is claimed for them—will cure all the diseases of the blood and secretions. Belonging to this class may be mentioned Dr. Roback's Scandinavian Blood Purifier and Blood Pills—which are most excellent preparations, and have the desired effect in all cases for which their use is recommended. Like those of others, we have tested and witnessed to this, having used them in our family with the best results. We are also acquainted with many who speak voluntarily in praise of these medicines.  
One of our leading business men says that by the use of only four bottles of Purifier he received more than one hundred dollars worth of benefit. His difficulty was Dyspepsia. We express our thanks for a liberal present of these remedies for use in our family.

**Dr. Roback's Stomach Bitters.**  
A new and delightful Stomachic and Cordial, for giving tone to the Stomach, and for the prevention of bilious complaints incident to the Western country. Try it. A morning drink will insure the best results. It is a healthy tonic, and is not a laxative. Its difficulty was Dyspepsia. It has no equal.  
In flavor it is superior to all other bitters. Try it. The formula of these medicines, in 1861, the sole property of Dr. Roback, originated with one of the oldest and most successful Medical Practitioners of the West, and is directly predicated upon the wants of Western People.  
These bitters derive their stimulus from the powerful tonic nature of the roots and herbs of which they are composed, and as they are, by allaying unnatural cravings of the stomach, directly promote the health.  
The present proprietor believes that in making them wisely known to the public welfare is subserved.  
It will soon be sold by all of Dr. Roback's numerous Agents, and at Hotels, &c., the country over.  
In the meantime, orders will be filled direct from Cincinnati in many quantities, and at the lowest rates. It is put up in quart bottles, and is securely packed in one dozen cases. Half dozen sample cases, will, however be packed and sent to any address if desired.
